> Product Features

1

Innovative hydraulic solutions

Any motor ■ Anywhere

- Unique patented impeller design greatly reduces axial thrust
- Standard commercial motors can be fitted to all pump models due to the low thrust
- Long life of the motor bearings
- High pump efficiencies achieved

2

Energy saving

- High intuitive and User-Friendly inverter, model ESPD+(Plus)
- IE3 motors fitted as standard
- High pump efficiency with MEI (Minimum efficiency index) > 0.7

3

Piping connection options

- Various pipe connections that meet many of the common market installation dimensions
- Able to select the most suitable connections for an application or replacement in an existing installation

Material	Round flange DIN	Loose flange DIN	Oval flange	Victaulic®
AISI304 AISI316				
Cast SS ASTM CF8 ASTM CF8M				
Cast Iron				

4

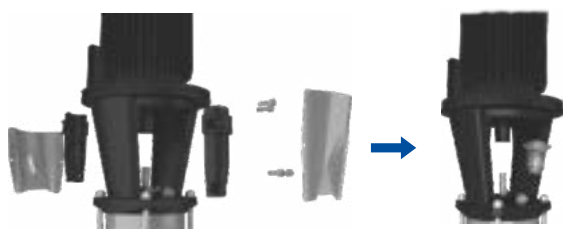

Mechanical seal solutions

- **Mechanical seal material:**
 - B : Resin impregnated carbon graphite
 - Q₇ & Q₁ : Sintered silicon carbide
 - Q₉ : Silicon carbide with carbon graphite
- Conforming to EN12756 (ex DIN 24960)

E : EPDM
V : FPM (Viton)

5

Easy maintenance

- The cartridge shaft seal enables easy replacement without disassembling the motor bracket
- The spacer coupling allows for easy maintenance without having to lift heavy motors 5.5 kW & above

6

Smart plug solutions

Air ventilation plug

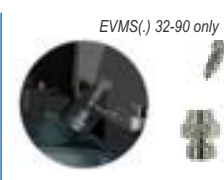

Priming & sensor plug

Fitting of commercial sensor

Drain / suction & discharge pressure

Combination priming & ventilation plug

EVMS(.) 32-90 only

INVERTER

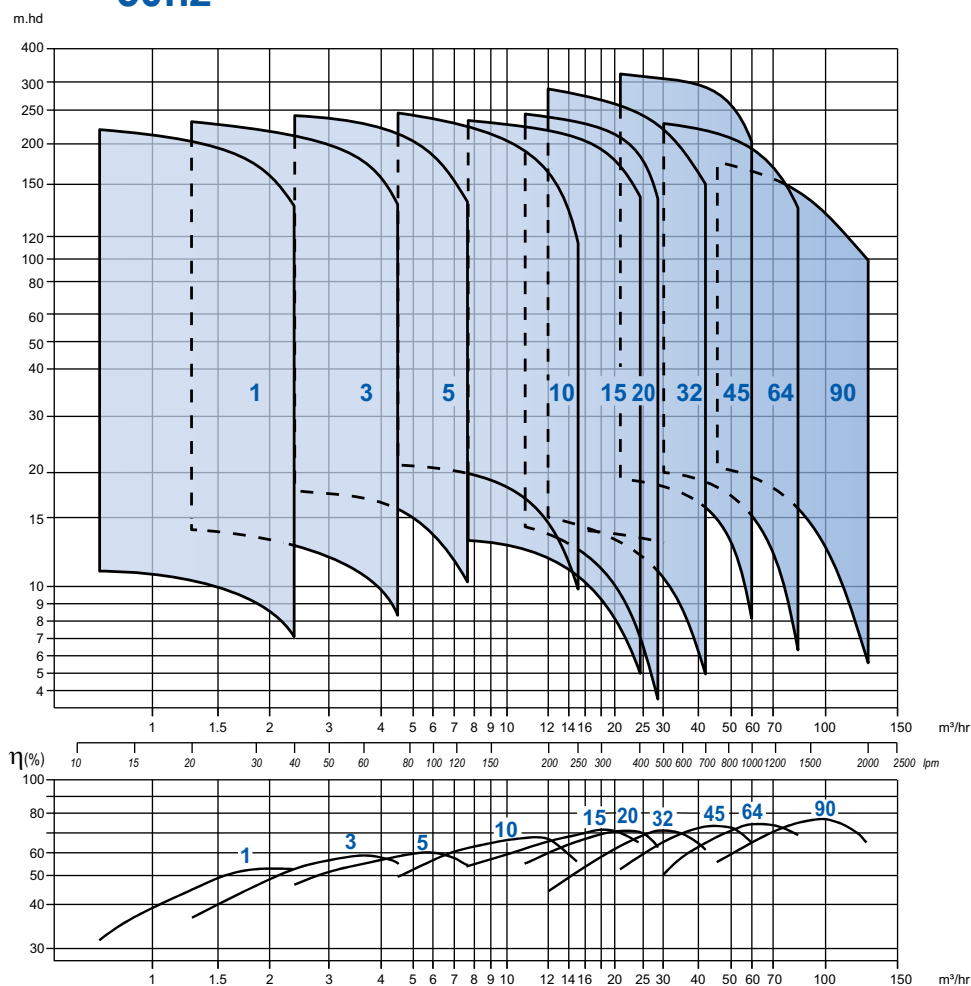

Items		E-SPD+		
Inverter	Model	MT2200	TT4000	TT11000
	Max power rating	2.2 kW	4.0 kW	11 kW
	Power supply voltage	Single phase 230 V	Three phase 400 V	Three phase 400 V
	Output voltage	Three phase 230 V	Three phase 400 V	Three phase 400 V
	Max current in/out	20 A / 11 A	12 A / 11 A	31 A / 30 A
	Protection rating	IP55		
	Analog ports	2 ports for 4-20 mA 1 port for 0-10V 1 port for PTC sensor		
	Digital inputs	4 ports for Not used, All pumps/Single pump Stop with external control, In Setpoints, Flow sensor, Slave 0-10V		
	Digital outputs	2 ports for OFF Alarm, Start Clock, Dry running external stop, Overpressure		
	Communication	Two RS485 ports - for communication and parallel operation of up to eight pumps - for monitoring systems with ModBus connection		
Accessory	Pressure transmitter	10/16/25 bar : Type 520 (Huba Control)		
	Cable with connector for pressure transmitter	M12 2M		
	Cable RS485	2x0.5mm ² L=900 mm

EVMSG1 : Vertical Multistage Pumps in Cast Iron with Stainless Steel hydraulic parts

Flange	16 bar model	Oval flange (N) - G1" (25 mm)
	16/25 bar model	Round flange (F) - DN25 (25 mm)
Mechanical seal	16 bar model	Unbalanced cartridge with SiC/Carbon/EPDM (Q7BEG E)
	25 bar model	Balanced cartridge with SiC/Carbon/EPDM (HQ1BEG E)
Motor	Frequency	50 Hz
	Range	0.37 to 2.2 kW: 1 ph x 230/480 V
		0.37 to 2.2 kW: 3 ph x 230/400 V
	Brand	1 ph: WEG W22 as standard (0.37, 0.55 kW Monarch)
		3 ph: WEG W21 as standard
	Protection degree	IP55
	Mount type	Face mount (B14 / V18)

Note :

- : Oval flange (N) models are supplied with zinc plated oval companion flange set
- : Round flange (F) models are not supplied with companion flanges. See accessories on page 39

Options

- Round flange (F) for 16 bar model **+\$80**
- Balanced cartridge seal - SiC with graphite/SiC/EPDM (HQgQ1BEG E) ESPD+
 - 16 bar : **+\$150**
 - 25 bar : **+\$ 85**
- All other options and accessories
Please refer to the page 38 - 40

Delivery time

- ✦ : 5 working days to deliver from Bayswater
- : 6-7 weeks to deliver from Bayswater
- : Contact us

Delivery time may vary depending upon availability

Delivery time may vary depending upon availability

EVMSG5 : Vertical Multistage Pumps in Cast Iron with Stainless Steel Hydraulic Parts

Flange	16 bar model	Oval flange (N) - G1"1/4 (32 mm)	
	16/25 bar model	Round flange (F) - DN32 (32 mm)	
Mechanical seal	16 bar model	Unbalanced cartridge with SiC/Carbon/EPDM (Q7BEG E)	
	25 bar model	Balanced cartridge with SiC/Carbon/EPDM (HQ1BEG E)	
Motor	Frequency	50 Hz	
	Range	0.37 to 3.0 kW: 1 ph x 230/480 V	
		0.37 to 3.0 kW: 3 ph x 230/400 V 4.0 to 5.5 kW: 3 ph x 400/690 V	
	Brand	1 ph: WEG W22 as standard (0.37, 0.55 kW Monarch)	
		3 ph: WEG W21 as standard	
	Protection degree	IP55	
	Mount type	up to 4.0 kW: Face mount (B14 / V18) 5.5 kW: Flange mount (B5 / V1)	

Note :

- : Oval flange (N) models are supplied with zinc plated oval companion flange set
- : Round flange (F) models are not supplied with companion flanges. See accessories on page 39

Options

- Oval flange (N) for 16 bar model **-\$80**
 - Balanced cartridge seal - SiC with graphite/SiC/EPDM (HQgQ1BEG E) ESPD+
 - 16 bar : **+\$150**
 - 25 bar : **+\$85**
 - All other options
- Please refer to the page 38 - 40

Delivery time

- ☆ : 5 working days to deliver from Bayswater
 - : 6-7 weeks to deliver from Bayswater
 - : Contact us
- Delivery time may vary depending upon availability

EVMS3 : Vertical Multistage Pumps in 304 Stainless Steel

Flange	16 bar model	Oval flange (N) - G1" (25 mm)
	16/25 bar model	Round flange (F) - DN25 (25 mm)
Mechanical seal	16 bar model	Unbalanced cartridge with SiC/Carbon/EPDM (Q7BEG E)
	25 bar model	Balanced cartridge with SiC/Carbon/EPDM (HQ1BEG E)
Motor	Frequency	50 Hz
	Range	0.37 to 3.0 kW: 1 ph x 230/480 V
		0.37 to 3.0 kW: 3 ph x 230/400 V
	Brand	1 ph : WEG W22 as standard (0.37, 0.55 kW Monarch)
		3 ph : WEG W21 as standard
	Protection degree	IP55
	Mount type	up to 3.0 kW: Face mount (B14 / V18)

Note :

- Oval flange (N) models are supplied with zinc plated oval companion flange set
- Round flange (F) models are not supplied with companion flanges. See accessories on page 39

Options

- Oval flange (N) for 16 bar mode - \$100
- Balanced cartridge seal - SiC with graphite/SiC/EPDM (HQgQ1BEG E)
16 bar : +\$175
25 bar : +\$100
- All other options and accessories
Please refer to the page 38 - 40

Delivery time

- ✦ : 5 working days to deliver from Bayswater
- : 6-7 weeks to deliver from Bayswater
- : Contact us

Delivery time may vary depending upon availability

EVMS15 : Vertical Multistage Pumps in 304 Stainless Steel

Flange	16/25 bar model	Round flange (F) - DN50 (50 mm)
Mechanical seal	16 bar model	Unbalanced cartridge with SiC/Carbon/EPDM (Q7BEG E)
	25 bar model	Balanced cartridge with SiC/Carbon/EPDM (HQ1BEG E)
Motor	Frequency	50 Hz
	Range	1.1 to 3.0 kW: 1 ph x 230/480 V
		1.1 to 3.0 kW: 3 ph x 230/400 V
		4.0 to 15 kW: 3 ph x 400/690 V
	Brand	1 ph : WEG W22 as standard
		3 ph : WEG W21 as standard
	Protection degree	IP55
	Mount type	up to 4.0 kW: Face mount (B14 / V18) 5.5 to 15 kW: Flange mount (B5 / V1)

Note :

: Round flange (F) models are not supplied with companion flanges. See accessories on page 39

Options

- Balanced cartridge seal - SiC with graphite/SiC/EPDM (HQgQ1BEG E)
 - 16 bar : +\$250
 - 25 bar : +\$75
 - 30/35 bar : +\$100
- All other options and accessories
Please refer to the page 38 - 40

Delivery time

- ☆ : 5 working days to deliver from Bayswater
- : 6-7 weeks to deliver from Bayswater
- : Contact us

Delivery time may vary depending upon availability

EVMS90 : Vertical Multistage Pumps in 304 Stainless Steel

Flange	16/25 bar model	Round flange (F) - DN100 (100 mm)
Mechanical seal	16 bar model	Unbalanced type with Carbon/SiC/EPDM (BQ1EG E)
	25 bar model	Balanced type with SiC/Carbon/EPDM (HQ1BEG E)
Motor	Frequency	50 Hz
	Range	5.5 to 45 kW: 3 ph x 400/690 V
	Brand	WEG W21 as standard
	Protection degree	IP55
	Mount type	Flange mount (B5 / V1)

Note :
: Loose flange (LF) models are not supplied with companion flanges. See accessories on page 39

Options

- Oval flange (N) for 16 bar mode - \$80
- Balanced cartridge seal - SiC with graphite/SiC/EPDM (HQgQ1BEG E)
16 bar : +\$150
25 bar : +\$85
- All other options and accessories
Please refer to the page 38 - 40

Delivery time

- ✦ : 5 working days to deliver from Bayswater
- : 6-7 weeks to deliver from Bayswater
- : Contact us

Delivery time may vary depending upon availability

EVMSL5 : Vertical Multistage Pumps in 316L Stainless Steel

Flange	16 bar model	Oval flange (N) - G1"1/4 (32 mm)
	16/25 bar model	Round flange (F) - DN32 (32 mm)
Mechanical seal	16 bar model	Unbalanced cartridge with SiC/Carbon/EPDM (Q7BEG E)
	25 bar model	Balanced cartridge with SiC/Carbon/EPDM (HQ1BEG E)
Motor	Frequency	50 Hz
	Range	0.37 to 3.0 kW: 1 ph x 230/480 V
		0.37 to 3.0 kW: 3 ph x 230/400 V
		4.0 to 5.5 kW: 3 ph x 400/690 V
	Brand	1 ph : WEG W22 as standard (0.37, 0.55 kW Monarch)
		3 ph : WEG W21 as standard
	Protection degree	IP55
	Mount type	up to 4.0 kW: Face mount (B14 / V18) 5.5 kW: Flange mount (B5 / V1)

Note :

- : Oval flange (N) models are supplied with zinc plated oval companion flange set
- : Round flange (F) models are not supplied with companion flanges. See accessories on page 39

Delivery time may vary depending upon availability

EVMSL45: Vertical Multistage Pumps in 316L Stainless Steel

Flange	16/25/35 bar model	Round flange (F) - DN80 (80 mm)
Mechanical seal	16 bar model	Unbalanced type with Carbon/SiC/EPDM (BQ1EG E)
	25/35 bar model	Balanced type with SiC/Carbon/EPDM (HQ1BEG E)
Motor	Frequency	50 Hz
	Range	3.0 kW: 3 ph x 230/400 V 4.0 to 45 kW: 3 ph x 400/690 V
	Brand	WEG W21 as standard
	Protection degree	IP55
	Mount type	up to 4.0 kW: Face mount (B14 / V18) 5.5 to 45 kW: Flange mount (B5 / V1)

Note :
: Loose flange (LF) models are not supplied with companion flanges. See accessories on page 39

About this price list

As this price list is provided to our authorised dealers and resellers the List Prices quoted are in A\$ and do not include GST.

Discount - The dealer/reseller discount is as agreed with EBARA PUMPS AUSTRALIA.

Freight - Unless agreed in writing, all prices are FOT Warehouse at Bayswater Victoria , and freight charges will be applied where applicable.

Placing Orders - Official Purchase Orders are required. (Preferably sent to sales.epa@ebar.com)

Delivery restrictions - Deliveries to residential addresses are to be organised by the purchaser.

Minimum Order Value - There is no minimum order value but a minimum freight charge of \$25 applies.

Packing Dimensions & Weights - These are provided as a guide only for estimating freight requirements and costs, and are subject to variation. Allowances for skids or pallets should be made. Note that many of the vertically packed pumps are shipped horizontally.

All purchases are subject to the EBARA PUMPS AUSTRALIA PTY. LTD. standard terms and conditions. (see pages 43 & 44)

Prices are subject to change without notice. However, EBARA PUMPS AUSTRALIA will endeavour to give adequate notice of any changes to this price list.

Returning Goods for Credit

If goods are to be returned due to an error by EBARA PUMPS AUSTRALIA we will endeavour to correct the situation in a prompt manner with minimal inconvenience.

Otherwise an approved Goods Return Advice must be obtained from EBARA PUMPS AUSTRALIA prior to the return of any goods. Information required (but not limited to) includes the invoice number on which the goods were originally supplied, and the reason for return. Freight is the responsibility of the purchaser. Goods returned without prior approval from EBARA PUMPS AUSTRALIA PTY. LTD. and/or without relevant details will not be accepted.

A restocking fee will be applied, and will include costs incurred for items such as any original freight costs borne by EBARA PUMPS AUSTRALIA, and the cleaning and refurbishment of the goods and/or packaging to saleable condition. EBARA PUMPS AUSTRALIA reserve the right not to accept a request for credit.

Returns of non standard/non stocked items bought in for customers will not be accepted.

Warranty Claims

EBARA warrants its products to be free from defects of materials and/or workmanship in accordance with the published Terms and Conditions of Sale (pages 43 & 44), for a period of 12 months from date of purchase unless stated otherwise. (JESX, JEX & MATRIX Domestic Pumps & Pressure Systems have a 2 year warranty. Pressure Tanks have a 5 year warranty).

A consumer warranty is offered as shown on page 42. The reseller should initially check that the EBARA product has been correctly selected, installed, operated and maintained, and check that any damage is not due to fair wear & tear, or misuse, etc.

Prior to returning an item a Warranty Claim Form must be obtained from EBARA PUMPS AUSTRALIA, and is subject to the conditions on page 42.

This warranty is given in addition to the consumer guarantees found within the Competition and Consumer Act 2010 (Cth)

EBARA PUMPS AUSTRALIA PTY. LTD. (EBARA PUMPS AUSTRALIA) warrants that all products supplied by it are free from defects caused by faulty workmanship or materials for a period of 12 months from date of original purchase, or a period as specified in any official sales brochure, technical data or the EBARA PUMPS AUSTRALIA website. EBARA PUMPS AUSTRALIA warranty does not cover failure caused by misapplying the product i.e. in a manner inconsistent with the technical data, or if the product has been installed in a manner that is detrimental to the product, or is outside any guidelines that are contained within the operating & maintenance manual that is supplied with the pump. The warranty does not cover consumable items such as mechanical seals, capacitors and bearings, or the failure of parts due to "fair wear and tear". The product will be inspected for any signs of, but not limited to, neglect, misuse, misapplication, inadequate protection against weather elements, under or over voltage or use or operation for purposes other than those for which the product was designed.

If a product supplied by EBARA PUMPS AUSTRALIA, is, in the opinion of the end user, faulty due to defects caused by workmanship or materials, the end user must return the product to the place of purchase for inspection and provide:

- a) proof of purchase;
- b) details of the installation;
- c) symptoms of failure;
- d) any other information as may be necessary to determine the cause of failure.

Costs incurred by the removal and refit of the product and transport costs from the original place of purchase to EBARA PUMPS AUSTRALIA if further inspection is required shall be borne by the end user. If inspection of the pump is required by EBARA PUMPS AUSTRALIA, an inspection fee of \$55.00 will apply. This fee is fully refundable if the product is found to be defective due to faulty workmanship or materials.

EBARA PUMPS AUSTRALIA reserves the right to make reasonable requests for more information regarding the installation and application of the product.

EBARA PUMPS AUSTRALIA reserves the right to refuse to repair or inspect products that are suspected to be contaminated by substances that may pose a risk to health or the environment.

If, in the opinion of EBARA PUMPS AUSTRALIA, the product is defective due to faulty workmanship or materials, EBARA PUMPS AUSTRALIA will repair, replace or refund the cost of the product and return it to the place of original purchase at Ebara Pumps Australia's expense.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

March 2020

1. INTERPRETATION

In these Terms and Conditions ("T&Cs"):

- (a) "Company" means EBARA PUMPS AUSTRALIA PTY LTD (ACN 090 963 572) of 1 Jackstaff Court, Bayswater North, Victoria 3153, its successors and assigns.
- (b) "Customer" means the customer named below or named as the "Applicant" on the annexed credit application.
- (c) "Goods" means all or part of the items supplied by Company to Customer now and in the future.
- (d) "Price" means the purchase price of the Goods or the amount to be paid for the Services.
- (e) "Services" means all services performed by Company for Customer.

2. CONTRACT

- (a) All Goods sold by Company and all Services provided by the Company are sold or provided subject to these T&Cs.
- (b) These T&Cs shall prevail over all conditions of the Customer's order to the extent of any inconsistencies.
- (c) All representations, statements, terms and conditions not embodied in these T&Cs (including any implied warranties) are expressly excluded to the fullest extent permitted by law.
- (d) These T&Cs constitute a separate contract in relation to each item sold or Service provided by the Company to the Customer.

3. OFFER AND ACCEPTANCE

- (a) Any quotation made by Company is not an offer to sell or to provide goods, but merely an invitation to treat.
- (b) Company shall not be bound by any order pursuant to a quotation until it is accepted in writing.

4. PRICE

- (a) Unless otherwise stated, all prices quoted by the Company are:
 - (i) inclusive of any tax (including GST), duty, levy, charge or like impost assessed or imposed in respect of any Goods or Services supplied by the Company or fees paid to or received by the Company; and
 - (ii) exclusive of freight, postage, packaging, handling, insurance and any other expenses or charges.
- (b) Amounts shown in any document provided by the Company shall be prima facie evidence of debts due from Customer to Company.

5. PAYMENT

- (a) The withholding or granting of credit shall be at the absolute discretion of Company
- (b) Where Customer has a credit account, the Price shall be paid within 30 days EOM of invoice date, unless the parties agree to vary those terms in writing.
- (c) Where Customer has no credit account or where the order would exceed Customer's credit limit, the Price shall be paid in full before the Goods are dispatched or the Services are provided.
- (d) If the Customer fails to pay for any Goods or Services as required by this clause then, without prejudice to any other right or remedy, the Company shall be entitled to charge interest on the outstanding amount from the date of the invoice until paid at a rate calculated in accordance with section 2 of the Penalty Interest Rate Act (Vic) 1983 fixed at the date of the default.

6. RETENTION OF TITLE

- (a) i. Notwithstanding any other clause contained herein the full legal and equitable title in Goods shall be retained by Company its lawful successors in title and assigns and will only be transferred when Customer's indebtedness in respect of the whole of the invoice in respect of those Goods (including any interest) is fully discharged.
 - ii. Until the moment of receipt of full payment of all Customer's indebtedness as referred to in paragraph (a)(i) herein Customer shall keep the Goods for and on behalf of Company.
- (b) Notwithstanding any other clause contained herein the risk in all Goods shall pass to Customer immediately upon delivery and all Goods must be paid for notwithstanding the destruction thereof or any damage thereto however caused.
- (c) Customer shall ensure that the Goods are stored in such a way that they are clearly identifiable as the property of the Company and are not intermingled with the property of Customer or any other person. Customer shall not in any way alter or treat the Goods so as to change their quality or nature in any way until as aforesaid and further shall ensure that the Goods remain clearly marked as Company's property.
- (d) Customer shall notify Company in writing of any intended sale of Customer's business, which includes or purports to include the Goods as part of Customer's plant and equipment, or Customer's inventory. In such a case, Customer must pay the full amount outstanding to Company prior to the settlement of the sale of Customer's business.
- (e) In the event of:
 - i. Customer failing to pay for the Goods pursuant to these T&Cs; or
 - ii. the determination or repudiation of the contract (howsoever occurring)
 - iii. Customer committing an act of bankruptcy or having a scheme manager, trustee, administrator, official manager, receiver, receiver and manager, liquidator or any other person authorised to enter into possession or assume control of any property of Customer pursuant to any security interest,
 - iv. the right of Customer to sell the Goods in the ordinary course of business or otherwise terminates immediately without the need for Company to provide written notice and Company is hereby irrevocably authorised to enter onto the premises of Customer and re-possess the Goods and any other goods in Customer's possession the property which is vested in Company. Company reserves the right in relation to the Goods until all accounts owed by Customer to Company are fully paid to immediately, and without notice, enter Customer's premises (or the premises of any associated company or agent where the Goods are located) and re-take possession of the Goods without liability for trespass or any resulting damage and the right to keep or re-sell any Goods re-possessed pursuant this clause.
- (f) Notwithstanding anything in these T&Cs, Company will be entitled to maintain an action against Customer for the purchase price.

7. PERSONAL PROPERTIES SECURITIES ACT

- (a) Customer acknowledges:
 - (i) that Company's interest as seller under these T&Cs is a security interest and for the avoidance of doubt it is hereby declared that the security interest arises in respect of every supply of Goods under these T&Cs;
 - (ii) Company's security interest in the Goods is effective and attaches to the Goods:
 - (A) when Customer executes these T&Cs or the credit application annexed hereto; or
 - (B) immediately upon Customer taking delivery of the Goods;
 - (iii) Company has given value for the security interest;
 - (iv) that Company may register Company's security interest on the PPS Register;
 - (v) that Company may register the Company's security interest prior to the attachment of the Company's Security Interest to the Goods;
 - (vi) that the Goods are not consumer property;
 - (vii) that Company may from time to time, whether before or after the transactions contemplated herein, grant security interests (whether by mortgage, charge or otherwise) over its rights under these conditions.

- (b) Customer must not grant or cause or permit to be granted any further security interest in relation to the Goods without the Company's prior written consent.
- (c) "Attachment" and "security interest" have the same meaning as under the PPS Act.

8. CANCELLATION OR VARIATION OF ORDERS

- (a) No accepted order may be cancelled or varied except with the written consent of Company and on terms which will indemnify Company against all losses.

9. WARRANTY AND LIMITATION OF LIABILITY

- (a) Except to the extent that the exclusion, restriction or modification of certain conditions, warranties, liabilities and rights is prohibited by the Australian Consumer Law:
 - (i) any conditions, warranties or rights implied to Customer's benefit by legislation, conduct or common business practice are hereby excluded to the maximum extent permissible; and
 - (ii) Company shall not be liable for any:
 - (A) defects or damage caused in whole or in part by misuse, abuse, neglect, electrical or other overload, unsuitable lubricant, improper installation or repair or alteration (other than by Company) or accident;
 - (B) technical advice or assistance provided by Company whether or not in connection with the manufacture, construction, supply or installation of Goods for or to Customer provided always that Company has rendered such Services with due care and skill and that any materials supplied in connection with those Services are reasonably fit for the purpose for which they are supplied;
 - (C) any transport, installation, removal labour or other costs;
- (b) Where the Goods are not of a kind ordinarily acquired for personal, domestic or household use or consumption, the Customer's remedy under Part 3-2 of the Australian Consumer Law, other than in respect of sections 51, 52 or 53, is limited to one or more of:
 - (i) the replacement of the Goods;
 - (ii) the supply of equivalent goods; or
 - (iii) the cost of replacing the Goods or of acquiring equivalent goods;
 - (iv) the cost of having the Goods repaired.
- (c) Where the Services are not of a kind ordinarily acquired for personal, domestic or household use or consumption, the Customer's remedy under Part 3-2 of the Australian Consumer Law is limited to one or more of:
 - (i) the supply of the Services again; or
 - (ii) the payment of the cost of having the Services supplied again.
- (d) Where Company is deemed to be a "manufacturer" for the purposes of Part 5-4, Div 3 of the Australian Consumer Law, then where the Goods are not of a kind ordinarily acquired for personal, domestic or household use or consumption, Company's liability under section 274 of the Australian Consumer Law is limited to the lowest of:
 - (i) the cost of replacing the Goods;
 - (ii) the cost of obtaining equivalent goods;
 - (iii) the cost of having the Goods repaired.
- (e) The limitation in paragraphs , and above do not apply where the Customer establishes that the limitation is not fair and reasonable.
- (f) These warranty terms and conditions should be read in conjunction with the consumer warranty which can be found at www.ebara.com.au/warranty

10. RETURNS AND CREDITS

- (a) Goods will be accepted for credit only by prior written agreement from Company,
- (b) Company reserves the right to refuse to accept returned Goods if Company at its sole discretion.
- (c) Returned Goods shall be returned:
 - (i) at Customer's cost;
 - (ii) in good order and condition, unused, in its original packaging;
 - (iii) accompanied by a dispatch note stating the original invoice number, date of supply and the reason for return.
- (d) Company may apply a charge of 30% of the list price to be applied to Customer's account to cover handling and restocking costs.
- (e) This clause does not apply to:
 - (i) Goods to the extent that they have been wrongly or over supplied;
 - (ii) Customer's rights under the Australian Consumer Law or any warranty against defects.

11. SECURITY TRADE CONTROL

It is expressly forbidden to export, or allow other subsequent owners of Ebara products to export any Ebara product whether in its entirety, components thereof or as a component of other equipment to the countries of Iran or North Korea. It is also required to comply with applicable export control laws and regulations.

12. LAW APPLICABLE

- (a) The governing law is that of Victoria, Australia, and subject to the exclusive jurisdiction of the courts and tribunals of Victoria and the federal courts of Australia.

13. GENERAL MATTERS

- (a) Company may at any time amend these T&Cs with respect of future orders, by giving Customer notice of the amended T&Cs. Any order placed by Customer subsequent to receiving such notice will be deemed to constitute acceptance of the amended T&Cs. Without derogating from the foregoing, Company may require Customer to sign the amended T&Cs before accepting any order following said notice.
- (b) If any provision of these T&Cs is deemed to be unlawful or unenforceable, such provision shall be severed from these T&Cs and all other provisions of these T&Cs shall remain in force.
- (c) The failure of Company to enforce or exercise any right under these T&Cs will not constitute a waiver of any right.
- (d) The provision of credit and/or the terms of the continued provision of credit by Company to Customer shall be in the absolute discretion of Company. Company may at any time in its absolute discretion vary or cancel the credit facility available to Customer.

EBARA in the world

EBARA Corporation was founded in Japan in 1912 as a manufacturer of pumps. Today, as a group, it consists of more than 100 companies in all 5 continents, with a workforce of more than 19,000 people. The huge scale of production and distribution is matched by a constant commitment to the research, development and design of new products, and the modern technologies for manufacturing them. EBARA products have gained a worldwide reputation for their technology and quality.

As well as major manufacturing facilities in Japan, EBARA has production facilities in many other countries. This includes Italy, with most modern facility for the mass production of stamped stainless steel pumps. Utilising the latest manufacturing technologies, including a patented plasma stamping process, results in products of consistent high standards and quality.

EBARA in Australia

For over 40 years Ebara pumps have been sold and used in Australia, satisfying many customers and building a reputation for their quality and reliability. A subsidiary company, EBARA PUMPS AUSTRALIA PTY. LTD. was established in 2000 to better service the market with an increasing range quality products. A strong network of nationwide dealers has been developed to support the sales and service of our extensive range of products.
